We, us – Liberty Insurance.

No-claims discount

For the purpose of the no-claims discount, 'period of insurance' means one year from the beginning of the policy to the first renewal date, and then each year between renewal dates.

If no claim is made during a period of insurance, we will reduce the renewal premium at the renewal date in line with our no-claims discount scale. You can ask us

for details of the no-claims discount scale.

If a claim is made during a period of insurance, your no-claims discount will be stopped at the renewal date and we may also load your premium.

You cannot transfer your no-claims discount to anyone else.

Protection against inflation

To help protect you against inflation we may adjust the sum insured in line with indexes such as the House Building Cost Index prepared by the Department of the Environment and the Durable Household Goods Section of the Consumer Price Index prepared by the Central Statistics Office.

- The adjustments apply to your buildings and contents sum insured but not to any limits that apply.
- If the index falls, your sum insured will stay at the same level.
- When you renew your policy, your premium will be based on the adjusted sum insured.

You should keep each sum insured at the correct level and you should not rely on this adjustment alone.

Making a claim

If you need to make a claim, the main steps are outlined below. It is important that you also read the claim conditions on pages 7, 8 and 9.

- Check your schedule and policy booklet which tells you what is covered and read the claims conditions on pages 7, 8 and 9.

We will only refund premiums as long as there has been no claim or loss during the current period of insurance.

- 3 We may cancel the policy, without giving you a reason, by sending you 10 days' written notice to your last known address. We will refund your premium for any period of insurance remaining.

Duty of care

 - a make sure you keep the buildings in a good condition;
 - b (i) Make sure all locks on the outside doors and windows are in full and

effective operation

(ii) Make sure all alarms are properly maintained and used correctly if we have allowed a discount on premium for them or they are a condition of cover.  - e if you let your home to tenants or share with lodgers.

If you are not sure whether you should tell us about any change, you should tell us anyway. When you tell us about a change, we may then review your premium and your cover. If you do not tell us about any relevant changes, we may:

- reject or reduce your claim; or
- cancel the policy and treat it as though it has never existed.

- 6 If the terms of your policy change in any way, we may charge you an administration fee of €25. We do not refund any amounts less than €25, and we will not charge any amounts which are less than €25. We will only refund any premium if:

- d You must also let us know, as soon as you know, about any possible prosecution or inquest in connection with any event.
- e You must be able to prove your loss. To help with this we may ask you to give us reasonable

information such as original receipts, invoices, instruction booklets, bank statements, photographs or any further proof to help with your claim.

- f You, or any other insured person, must give us all the help we need. You must never accept responsibility or offer or promise payment without our written permission.
 - g We will be entitled to take over and act in your name (or in the name of any other insured person) to defend or settle any claim. We may prosecute, in your name or in the name of any other person (at our expense and for our benefit), to recover compensation from others for anything covered by this policy. We will be able to decide how any proceedings or settlements are handled.
 - h You must, within a reasonable time, allow us to enter the insured property where the loss or damage has happened. We may take possession of the property and deal with the salvage (anything that can be saved and used again) in a reasonable way. However, you must not abandon any property for us to deal with.
 - i If you make a claim, we are entitled to give information about you and your policy to other people such as suppliers, private investigators and loss adjusters, and instruct them to act on our behalf.

Part A Standard cover – Buildings

We will insure the buildings against loss or damage caused by the insured risks shown below along with the following.

This does not include any costs in rebuilding, repairing or restoring the buildings if they are made either better than or bigger than when new. We will only pay costs if:
- a the property insured has been maintained in good repair; and
 - b the sum insured is enough to cover the cost of rebuilding the buildings as new (at the time of the loss or damage). If the rebuilding or repair is not carried out, we will take off an amount for wear and tear when we pay your claim.

How we settle claims

If your buildings are damaged or destroyed by any cause covered by this section, the following will apply.

- 1 We may pay the cost of work carried out to rebuild, replace or repair your buildings or arrange for your buildings to be rebuilt, replaced or repaired. If we decide to pay a cash amount for the loss or damage, we won't pay more than our suppliers would charge.
- 2 We will take off an amount for wear and tear if the buildings have not been well maintained.
- 3 We will not pay the cost of repairing or restoring any undamaged part of the buildings.
- 4 We will not reduce the sum insured after paying a claim as long as you agree to carry out any recommendations we make to prevent further loss or damage.

The most we will pay will be the sum insured as shown in the schedule (less any excess) and will also depend on any limits shown in the policy. If, at the time of the loss or damage, the sum insured is less than the full rebuilding cost, we may take off an amount to reflect the difference between these amounts. For example, if the sum insured is equal to 80% of the full rebuilding cost, we may pay only 80% of your claim.

If any single event results in a claim under more than one section of the policy, only the highest excess will apply for that event.

If we have agreed to pay your claim and the total amount to be paid under this section is more than €3,000, we may

keep up to 30% of the payment until the reinstatement work is complete. We will consider the work as complete when we have received and checked the final invoices and, if necessary, carried out a final inspection of the work. The inspection may be carried out by us or a representative we appoint.

Once we have settled your claim (less any amount we have kept back), we will agree a date that the reinstatement work should be completed by and the invoices sent to us. If you have not claimed the amount we have kept back after six weeks from the date we settled your claim, we will write to you to remind you of the unclaimed amount and our requirements to release the payment. If you need us to extend the agreed date, you should contact us to let us know. If we do not hear from you before the agreed date, we may close your claim.

If a company has a mortgage on your home

If you have a mortgage with a company (the mortgagee), their interest in this insurance will not be affected by any act you or anyone living in the property commits which increases the danger of loss or damage if the mortgagee is unaware of the act. However, the mortgagee must contact us immediately if they are aware of any act or neglect and they may have to pay an extra premium.

Section 2 Contents

	k Lost or corrupted information or programs.

How we settle claims

If your contents are damaged by any of the causes covered under this section we can:

- replace them as new with an equivalent item; or
- pay an amount to replace the items as new with an equivalent item.

However, for items that can be economically repaired we will pay the cost of repair (or if we decide, to arrange for their repair).

We will not reduce the sum insured after we pay a claim as long as you agree to carry out any recommendations we make to prevent further loss or damage.

The most we will pay will be each sum insured as shown in the schedule (less any excess) and will also depend on any limits shown in the policy. If at the time of loss or damage the sum insured is less than the cost of replacing all the contents as

new, we may take off an amount to reflect the difference between these values. For example, if the sum insured is equal to 80% of the cost of replacing all the contents as new, we may pay only 80% of your claim.

If any single event results in a claim under more than one section of the policy, only the highest excess will apply for that event.

How we settle claims

When you make a claim for the loss of or damage to any property insured under this section we can choose to:

- replace the item as new with a similar item; or
- pay an amount to replace the item with an equivalent item.

We will not take off an amount for wear and tear as long as the sum insured represents at least the full replacement value of all the property insured.

Where an item is specified in the schedule we will need a recent valuation or receipt (if you have not already provided one) if you make a claim. The valuation or receipt must be from before the loss or damage.

The most we will pay will be each sum insured as shown in the schedule (less any excess) and will also depend on any limits shown in the policy.
