However, please refer to the Policy Conditions section of this document and familiarise yourself with your specific obligations when notifying a claim, as failure to comply could result in your claim being refused, where we are prejudiced.

Underinsurance

Protecting your home and contents

The purchase of your home represents probably the largest financial investment you will make in your lifetime. It is, therefore, vitally important that you protect your investment by insuring it for the correct value.

Each year you should review the amount for which you have insured your buildings and contents. In addition, if home improvements have been carried out, such as the building of an extension or the conversion of the attic, or if you have purchased additional contents, the sums insured should be increased to reflect this.

It is important that the base value of your buildings and contents are regularly reviewed.

Home Protection Tips

Storm

To minimise damage from storms, we suggest the following:

- Mineral felt roofs have a limited life span and are subject to wear and tear and deterioration over time. Check the roof covering at regular intervals and replace the felt where there are signs of deterioration. Remember, your Policy does not cover the maintenance costs involved in repairing or replacing the roof. The Policy specifically excludes damage caused by wear and tear and gradual deterioration.
- Ensure your tiles and guttering are secure.
- Check that the gutters and drains are not blocked.
- If a storm is forecast, make sure all gates are bolted. Put any garden furniture, lawnmowers or plant pots in a garden shed and lock it.

Fire prevention

Every year many people are killed or injured and homes are destroyed as a result of domestic fires. You can reduce the risk of fire by taking the following precautions:

- Do not overload an electrical point. Unplug all appliances when not in use.
- Repair faulty wiring, frayed leads and loose plugs.
- All fires and heaters should have a secure fireguard. Never leave the room without having a guard in front of the fire.

- All chimneys and/or flues to solid fuel stoves, boilers and open fires should be cleaned by a professional at least once a year. Please be advised that you may be expected to provide documentation to verify that cleaning has taken place. Any damage to the chimney or flues that may give rise to a claim should be reported to Zurich immediately.
- Avoid careless smoking, especially in bedrooms.
- Matches should be kept well away from children.
- Close all internal doors when going to bed.
- Keep heaters away from furniture, curtains and bedclothes.
- Never move or refuel an oil or gas heater while it is lighting.
- Keep all electrical flexes off cooker rings and hobs.
- Be especially careful with chip pans, they should never be left unattended on a lighted cooker.
- You should install at least two smoke detectors in your house. Smoke detectors should be tested regularly to ensure they are working properly. Change the batteries at least twice a year.
- Do not leave appliances including: dryers, washing machines and dishwashers running if you are leaving your home or going to bed.
- Never leave a burning candle unattended or near any object which may catch fire.

Water damage

There are various weather hazards which you cannot avoid, but against which you can protect your home.

- Lag pipes and water tanks wherever possible.
- Leave the underside of tanks free to ensure rising warmth can reach them.
- Replace washers on dripping taps.

Burglary prevention

Unfortunately, theft has become part of everyday life in many areas. Most thieves are opportunists who commit crimes when they spot an easily entered home. Such opportunities can be removed by fitting and using good quality locks on doors and windows and by installing an approved alarm system.

- All external doors should be fitted with five lever mortise deadlocks and the keys should be removed from the lock.
- All patio doors should be fitted with key-operated patio door locks. The keys should be removable. A stop should be fitted in the top of the door frame to prevent the doors from being lifted out of their frame.
- All ground floor windows and other accessible windows, fanlights and roof lights should be fitted with key operated security locks or stops with removable keys or key-operated security bolts with removable keys.

Before going on holidays

- If you have an automatic light switch installed, set it to operate at the times you normally switch the lights on.
- Cancel all deliveries, e.g. milk, newspapers etc.
- Ask a neighbour to pop in from time to time to check on the house and to remove post from the letterbox/porch.
- Inform your local Garda station that you will be away.
- Check that all windows and doors are securely locked.
- Set your intruder alarm, smoke detectors and other alarm systems – check that the batteries in all alarms are working.

Escape of Oil

Regardless of the tank age, you should check your oil tank at least twice a year for signs of cracking and failure. This damage is often due to weathering or poor original installation. In the event that defects are discovered, the tank should be immediately replaced to avoid oil escaping. If an escape of oil occurs it may cause damage to the environment which can result in your property being uninhabitable and you may require temporary accommodation.

Settling claims

We will pay the full cost of repair or reinstatement as new of the damaged part of the **buildings** provided that the work is done without delay or at our option **we** will arrange for the work to be carried out. However, **we** will deduct an amount for wear and tear if:

- at the time of the loss or damage the sum insured is less than the full cost of rebuilding the **buildings** as new
- the **buildings** are in a poor state of repair or decoration.

We will not pay any cost relating to the replacement of, or work on, any undamaged or remaining items which form part of a set, suite, group or collection of articles of a similar nature, colour, pattern or design when the loss or damage is restricted to a clearly identifiable area or to a specific part and replacements cannot be matched.

If repair or reinstatement is not carried out **we** will pay the reduction in market value resulting from the loss or damage but only up to what it would have cost to rebuild or repair if such work had been carried out without delay.

The most **we** will pay under paragraphs 1 to 14, 18 and 'Additional costs' below is the sum insured by this section.

We will automatically reinstate the sum insured from the date of payment of any claim unless **we** have given **you** written notice to the contrary before payment.

Our priority is to provide financial support to customers throughout the claim process to ensure any repair/reinstatement work is completed as quickly as possible. Where **we** opt to pay the costs of repair or reinstatement as above, **we** may:

- (a) release a proportion of the estimated cost of repair or reinstatement prior to completion of the work;
- (b) pay the balance (otherwise known as the “retained amount”) to **you** on completion of the work and on receipt of appropriate documentation validating the costs incurred by **you** for the repair or reinstatement work (including VAT invoices).

The retained amount will not exceed:

- (i) 5 per cent of the claim settlement amount in a case in which the claim settlement amount is less than €40,000; or
- (ii) 10 per cent of the claim settlement amount in a case in which the claim settlement amount is €40,000 or more.

Additional costs

We will pay the necessary and reasonable expenses that **you** incur in reinstating the **buildings** following loss or damage insured under this section, namely:

- fees to architects, surveyors, consulting engineers and others
- the cost of clearing the site and making it and the **home** safe
- the cost of complying with any government or local authority requirement following loss or damage unless **you** were given notice of the requirement before the loss or damage.

We will not pay:

- fees for preparing a claim under this section
- costs in respect of undamaged parts of the **buildings** (except the foundations of the damaged parts).

Mortgagees clause

The interest of the mortgagee shall not be prejudiced by any act or neglect by **you**, your **household** or any tenant that increases the danger of damage without the authority or knowledge of the mortgagee, provided that the mortgagee as soon as reasonably possible after becoming aware of the danger, shall give notice to **us** and pay an additional premium if required.

Index-linking

We will monitor rebuilding costs using a range of appropriate indices and market information that **we** have available to **us**.

We will automatically adjust the **Buildings** sum insured (but not any monetary limits) to help protect **you** against inflation.

This adjustment of the sum insured will:

- be subject to a minimum increase of 1% in the reviewed indices during the period of insurance
- continue after any insured loss or damage if required repairs or reinstatement are carried out without delay.

We will not charge extra premium during the period of insurance but at the end of the period **we** will calculate the renewal premium on the revised sum insured.

More than one home

When more than one **home** is insured the terms and conditions of the policy shall apply as if each is separately insured.

Selling your home

If **you** are selling your **home** **we** will insure the buyer up to the date the contract is completed unless he/she has arranged his/her own insurance. The buyer must keep to the terms and conditions of the policy.

Item 1

We will pay the cost of replacement or repair of the property lost or damaged, or at our option replace the **property** or arrange for the repair work to be carried out, after taking off an amount for wear and tear. If to our knowledge the property is the subject of a hire purchase or leasing agreement and **you** do not replace or repair the property that is lost or damaged **we** will make any payment to the owner. The owner's receipt will be a full and final discharge of our liability under this Item.

Underinsurance

If the sum insured on the caravan and its equipment at the time of the insured loss or damage is less than the cost of their replacement as new (after deduction for wear and tear) **you** shall be considered as being your own insurer for the difference and **we** will pay only the proportion of the loss or damage which the sum insured bears to such cost.

Item 2

We will pay the full cost of replacement as new or repair of the **property** lost or damaged or at our option **we** will replace the **property** or arrange for repair work to be carried out.

However, **we** will take off an amount for wear and tear:

- for clothing and linen
- if at the time of the loss or damage the sum insured does not represent the full cost of replacement of all the **property** insured as new after allowing for deterioration of clothing and linen
- if **you** do not repair or replace the **property**.

Underinsurance

If the sum insured on personal possessions in the caravan or awning or in the vehicle towing the caravan at the time of the insured loss or damage is less than the cost of their replacement as new (after deduction for wear and tear in respect of clothing and linen) **you** shall be considered as being your own insurer for the difference and **we** will pay only that proportion of the loss or damage which the sum insured bears to such loss.

If it is necessary to make an allowance for wear and tear then the cost of replacement as new less the allowance for wear and tear will be compared with your actual sum insured. **You** will only be paid that proportion of the loss or damage which your sum insured bears to this cost of replacement.

When **you** notify **us** about a change as above, or if **you** otherwise become aware of any such change, as referenced above, **we** may reassess the premium chargeable and Policy cover more generally.

We may refuse a claim made by **you** where there has been a change in the subject matter of the Policy which results in a new risk which **we** did not agree to cover and which was beyond the reasonable contemplation of **us** and **you** when the Policy was entered into. Failure to disclose any such change may result in difficulty obtaining insurance in the future.

All monies which become payable by **us** under this Policy shall in accordance with Section 93 of the Insurance Act 1936 be payable and paid in the Republic of Ireland.

- (c) **you** have a legal duty to answer all questions asked by **us** honestly and with reasonable care.
- (d) while **we** acknowledge that **you** have no legal duty of voluntary disclosure, **you** shall ensure that information which is voluntarily provided by **you** or on your behalf is provided honestly and with reasonable care.

(2) Remedies for Misrepresentation

- (a) The term “negligent misrepresentation” means a representation made without reasonable care but which was not fraudulent. Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** or on your behalf involves a negligent misrepresentation, the remedy available to **us** shall reflect what **we** would have done had **we** been aware of the full facts and shall be based on a compensatory and proportionate test, as follows:
 - (i) if **we** would not have entered into the Policy on any terms, **we** may avoid the Policy from inception or renewal (as the case may be) and refuse all claims, but shall return the premium paid;
 - (ii) if **we** would have entered into the Policy, but on different terms, the Policy is to be treated as if it had been entered into on those different terms if **we** so require;
 - (iii) if **we** would have entered into the Policy, but would have charged a higher premium, **we** may reduce proportionately the amount to be paid on the relevant claim.
- (b) Where an answer which was provided, or information which was volunteered, involves a negligent misrepresentation which is identified at a time prior to there being any claim under the Policy, **we** may either:
 - (i) give notice to **you** that in the event of a claim **we** will exercise the remedies in paragraphs (a)(i)-(iii) above as appropriate; and/or
 - (ii) terminate the Policy by giving reasonable notice.
- (c) Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** or on your behalf involves a fraudulent misrepresentation, or where any conduct by **you** or on your behalf (relative to the Policy or the steps leading to its formation) involves fraud of any other kind, **we** shall be entitled to avoid the Policy from the date of commencement or renewal (as the case may be) without return of premium.

21. Effect of Continuing Restrictive Conditions

In this Policy, any term that imposes a Continuing Restrictive Condition, including one that is intended to reduce the risk of a particular type of loss, or reduce the risk of loss occurring at a particular time or in a particular location, shall be treated as a suspensive condition. This means that if:

- (a) **you** breach any such term; and
- (b) during the period of breach **you** suffer a relevant loss; and
- (c) such breach increased, in the circumstances concerned, the risk of the loss suffered by **you**, we will have no liability for the loss.

22. Subrogation Limits

For the purposes of this condition only, the expression “insured person” shall mean **you** and any other person entitled to be indemnified under this Policy.

This clause applies where **we** have the right to be subrogated to the insured person’s rights against some other person but the insured person has not exercised those rights and might reasonably be expected not to exercise those rights because the insured person and the other person are members of the same family (to be construed in accordance with the Employment Equality Act 1998), or are cohabitants (to be construed in accordance with the Civil Partnership and Certain Rights and Obligations of Cohabitants Act 2010).

Where in the above circumstances the other person is not insured in respect of their liability to the insured person, **we** do not have the right to be subrogated to the insured person’s rights against that other person. Where the other person is so insured, **we** may not recover from the other person an amount greater than the amount that that person may recover under their insurance policy.

This clause does not apply where the conduct of the other person that gave rise to the loss involved serious or wilful misconduct.

If the Insured Person is an employer, **we** will not exercise our right of subrogation against an employee except where the loss was caused by an employee intentionally or recklessly and with knowledge that the loss would probably result.
