Claims

How we settle claims

You must tell **us** if the **buildings** and **contents** sums insured are not high enough. If not, **you** may find that **you** do not have enough cover and **we** will not pay the full value of **your** claim.

We will decide how to settle **your** claim. **We** will normally arrange for one of **our** suppliers to repair, reinstate or replace the lost or damaged property. In some instances, **we** may decide to pay a cash amount for the loss or damage. **We** will not pay more than **our** suppliers would have charged. **We** will deduct the appropriate **excess** from all claims payments **we** make.

Claims retention

Where **we** agree to pay **your** claim and the settlement amount is less than €40,000, **we** reserve the right to withhold up to 5% of the final payment until the repair, replacement or re-instatement works are completed and validated through the submission of a final invoice and if required by **us** a final inspection report.

Where **we** agree to pay **your** claim and the settlement amount is €40,000 or more, **we** reserve the right to withhold up to 10% of the final payment until the repair, replacement or re-instatement works are completed and validated through the submission of a final invoice and if required by **us** a final inspection report.

Where the retention amount remains unclaimed after a period of 4 months from the date of the settlement, **we** will contact **you** to remind **you** of the unclaimed retention and **our** requirements to release this payment.

If **we** do not hear back from **you** within 10 working days, **we** will issue a final reminder to **you**. Where **we** do not receive a response to **our** final reminder within 10 working days, **we** will close the claim file.

Under insurance

Under insurance can occur when:

- **your buildings** or **outbuildings** sum insured is below the amount it would cost to rebuild them or
- **your contents** or **personal belongings** sum insured is below the amount it would cost to replace them as new.

It is a condition of this **policy** that **you** must at all times keep **your** sums insured at a level that reflects:

- the actual cost to rebuild **your buildings** or **outbuildings**. This sum insured must also include the costs of removing debris after a loss, professional fees and any additional costs necessary to meet current building regulations.
- the actual cost to replace **your contents** or **personal belongings** as new.

If **your** sums insured are not adequate at the time of any loss or damage, **your** claims settlements may be reduced by whatever proportion is represented by the level of under insurance, meaning **you** may have to pay any shortfall yourself. If the sums insured are within 15% of the full value, this condition will not apply.

Underinsurance Examples

Your holiday home is insured for €300,000 but the full cost to rebuild the property is €400,000. This means that the **holiday home** is underinsured by €100,000 or 25%. As a result, **your** claim would be reduced by 25%.

Example 1 - Partial Loss Claim

- Partial damage occurs to the **holiday home** and the total cost to repair the damage is €100,000.
- A deduction of 25% (€25,000) is made from the cost of repairs.
- Therefore, the most **you** will receive is a payment of €75,000. **You** would need to fund the balance of €25,000 yourself.

Example 2 - Total Loss Claim

- Damage occurs to the **holiday home** and it requires a complete rebuild.
- As the **holiday home** has been insured for €300,000 this is the maximum payment that can be made.
- **You** would need to fund the balance of €100,000 yourself.

Please note, other settlement factors such as the **policy excess** are not considered in the examples above.

Matching sets and suites

We treat one item of a matching set of items or suite of furniture or sanitaryware or other bathroom fittings as a single item. **We** will pay **you** for individual damaged items but not for the other undamaged pieces.

If a floor covering is damaged beyond repair, **we** will pay to have it replaced. However, **we** will not pay for undamaged floor coverings in adjoining rooms or areas.

Will we take off an amount for wear and tear?

Buildings

If **we** carry out a repair or reinstatement, **we** will not take off an amount for wear and tear as long as the sum insured represents the full reinstatement value of the **building** and **you** have kept the **building** in good condition. The full reinstatement value is not necessarily the value **you** would get if **you** sold the property (market value).

Contents

We will take off an amount for:

- clothes, furs, household linen;
- audio visual equipment; or
- carpets over five years old.

We will not take off an amount for wear and tear for all **your** other **contents** as long as the sum insured represents their full value as new at the time of loss and **you** have kept them in good condition.

Other insurance policies

If any injury, loss or damage is covered by any other insurance, **we** will not pay more than **our** share.

No-claims discount

For the purpose of working out the no-claims discount, a **period of insurance** is one continuous year between the beginning of the **policy** and the renewal date shown in **your schedule** and each subsequent renewal thereafter.

If **you** do not claim during the current **period of insurance**, **we** will discount **your** renewal premium. The discount will be in accordance with the no-claims discount scale applicable at the time of renewal.

We may offer an introductory discount for customers.

If during a **period of insurance**, an incident occurs giving rise to claims under the **policy**, **we** will reduce **your** no claims discount to 0% at the next renewal.

Number of years claim free (own home insurance)	Percentage discount allowed
0 (if previous claims)	0%
1	10%
2	15%
3	30%

If **we** agree to transfer the interest of the **policy** to someone else, **we** will not transfer any no-claims discount earned.

Before **you** make a small claim, remember **you** could lose **your** no-claims discount. Please call **us** if **you** have any questions.

Inflation protection

Buildings

To help protect **you** against inflation, **we** will adjust the sum insured under the **buildings** section, in line with an appropriate index* **we** have chosen, and each year when **you** renew the **policy we** will increase the sum insured in line with that index.

*Society of Chartered Surveyors, CSO, Dept of Environment.

Contents

To help protect **you** against inflation, **we** will amend the sum insured under the **contents** section, in line with an appropriate index* **we** have chosen, and each year when **you** renew the **policy, we** will increase the sum insured in line with that index.

*Consumer Price Index.

The following applies to **buildings, contents** and **personal belongings**.

- If an index falls, **we** will keep the sums insured and monetary limits at the same level.
- When **you** next renew **your policy we** will adjust **your** sums insured as a result.
- Inflation protection will not apply to the monetary limits.
- During the period of repair, after **we** carry out a repair or replacement for loss or damage to the **building, we** will continue to protect the sum insured against inflation as long as:
 - a. **you** take reasonable steps to make sure that the repair or replacement is carried out immediately; and
 - b. the sum insured at the time of the loss or damage represents the full value.

Although **you** have the benefits of inflation protection, **you** should not rely on this alone to keep the **building** sum insured at the correct level. The replacement cost of **your buildings** or **contents** may be growing faster than inflation – perhaps because of a new extension or new items **you** have bought.

It is a policy condition to insure for the correct amount – see page 18, point 3 - Under insurance.

These exclusions apply to the whole **policy**.

1. Sonic bangs

We will not pay for loss or damage caused by pressure waves from aircraft and other flying objects travelling at or above the speed of sound.

This exclusion also does not cover liability, loss, damage, costs or expense resulting from any action taken to control or prevent a or b above.

If any part of this exclusion is not valid or cannot be enforced, the other parts will still be effective.

4. Excess

You will be responsible for the **excess** amounts shown on **your schedule**.

The following **excesses** may apply:

- **you**, or anyone claiming protection, have complied with the **policy** conditions.

We may revise the terms, conditions or benefits set out in this **policy** document but if **we** do, **we** will give **you** written notice.

1. Changes to your policy

This **policy** is based on the factual information **you** provided. These facts are represented by the answers **you** have given to questions **we** have asked and/or the **proposal form you** completed and/or the **statement of facts we** last issued. If any of these facts have changed **you** must let **us** know immediately otherwise cover may not operate.

If **you** are not sure whether or not certain facts are important, please ask **us**.

We have the right to accept or decline changes to **your policy** and **we** may charge an additional premium including an administration charge.

If a change to **your policy**, including the administration charge, results in:

- An additional premium of less than €15, **we** will not charge it.

2. Taking care of your property

You must take all reasonable precautions to avoid injury, loss or damage and take all reasonable steps to protect **your** property from loss or damage. **You** must keep all **your** property in good condition.

If **you** do not do this, **your** right to claim under **your policy** may be affected.

3. Under insurance

Under insurance can occur when:

- **your buildings** or **outbuildings** sum insured is below the amount it would cost to rebuild them or
- **your contents** or **personal belongings** sum insured is below the amount it would cost to replace them as new.

It is a condition of this **policy** that **you** must at all times keep **your** sums insured at a level that reflects:

- the actual cost to rebuild **your buildings** or **outbuildings**. This sum insured must also include the costs of removing debris after a loss, professional fees and any additional costs necessary to meet current building regulations.

- the actual cost to replace **your contents** or **personal belongings** as new.

If **you** sums insured are not adequate at the time of any loss or damage, **your** claims settlements may be reduced by whatever proportion is represented by the level of under insurance, meaning **you** may have to pay any shortfall yourself. If the sums insured are within 15% of the full value, this condition will not apply.

4. Misrepresentation and Deception

Definitions:

- Misrepresentation is when someone makes a statement which is not correct to another person. A misrepresentation may be innocent, negligent or fraudulent.

- If **we** would have entered the contract but at a higher premium **we** may reduce proportionately the amount to be paid on any claim

If **you** have made a negligent misrepresentation and no claim has arisen **we** may terminate the contract on reasonable notice to **you**.

Fraudulent Misrepresentation

If a claim is made and if any answer given by **you** to **us** involves a fraudulent misrepresentation or where any conduct by **you** (relative to the contract or the steps leading to its formation) involves fraud of any other kind **we** may avoid this contract of insurance.

Fraudulent Claims

If **you** or anyone acting for **you**:

- makes a claim under the **policy**, knowing the claim is false or misleading; or

b. Dealing with the claim

- You** must not admit any claim made by someone else against **you** or make any agreement with them.
- We** have the right to negotiate, settle or defend any claim in **your** name and on **your** behalf.
- You** must not abandon any property to **us** for **us** to deal with.
- You** must make yourself personally available to meet with **us** to help **us** deal with **your** claim.

To cancel the **policy**, just advise **us** by phone or in writing. **We** will refund premium on the following basis:

- If **you** request cancellation within 14 working days of the date upon which **we** inform **you** the **policy** has been inception, **we** will refund the full premium.
- Otherwise, **we** will issue a refund based on the unused days left to run on the **policy**, provided no claims have been made on **your policy**. **We** will not refund an amount less than €15. **We** will not refund **your** premium if **you** are paying it under an instalment scheme (unless **you** made an overpayment).

We may cancel this **policy** by sending **you** ten days' notice in writing to **your** last known address.

7. Dispute resolution

Any disagreement that **we** have with **you** and that **we** cannot settle between **us** may be referred to the Financial Services and Pensions Ombudsman (see page 6 for contact details).

If the Financial Services and Pensions Ombudsman will not deal with the disagreement, **we** may agree to refer the dispute to arbitration or mediation. The arbitrator's decision will be final and binding.

If **you** wait more than a year to do this, **you** will be considered to have abandoned **your** claim and **you** cannot take it up again.

8. Your obligation to keep to the terms and conditions of the policy

This **policy** will only apply if:

- a. **you** keep to the terms, conditions and **endorsements** and the statements and answers in the **statement of fact/proposal form** are true; and
- b. as far as **you** know, the statements made and the information given to **us**, which form the basis of the contract, are complete and correct.

9. Payments

Any money paid under this **policy** will be paid in euro in the Republic of Ireland

10. Paying by instalments

If **you** are paying, or have agreed to pay the premium for this **policy** by instalments, **you** must keep **your** payments up to date. If **you** miss any payments, **we** will withdraw **your** option to pay by instalments or **we** will cancel the **policy** (or both).

Please have as much information as possible to hand including **your policy** number, to enable **us** to assist **you** as quickly as possible.

What will happen next:

If **you** suffer an **emergency** at **your holiday home**, **you** should tell **us** on the **emergency** telephone number. **We** will then:

- Advise **you** how to protect yourself and **your holiday home** immediately;
- Validate **your policy** and arrange for one of **our authorised contractors** to get in touch with **you** to make an appointment or in some circumstances **we** may agree to settle **your** claim on a **reimbursement basis**;
- **We**, along with **our authorised contractors** under **our** delegated authority, will then manage **your** claim from that point onwards and keep **you** updated throughout **your** claim journey;
- **We** will organise and pay up to €250 (€500 for roofing) per claim including VAT, call out, labour, parts and materials to carry out an **emergency repair**;
- In the event of **your holiday home** becoming uninhabitable and remaining so because of a covered event, **we** will contribute up to €100 inc VAT in total towards the cost of **your** (including **your** pets) accommodation including transport, on a **reimbursement basis**;
- **We** would always recommend that **you** arrange for a permanent repair to be completed by a qualified tradesperson as soon as possible, once **we** have carried out an **emergency repair** and contained the **emergency** for **you**, as this may only provide a temporary solution to the problem.

Claims under this section can only be made by

You, your immediate family, lodger or anyone calling on **your** behalf

If the **emergency repair** costs more than €250 (€500 for roofing) including VAT

We will: require **you** to contribute the difference or subject to **our** prior agreement and on receipt of **your** engineer's fully itemised and paid invoice, **we** would pay **you** up to €250 (€500 for roofing) including VAT as a contribution to a repair which **you** will arrange yourself, taking account of costs already reasonably incurred by **our authorised contractor**, for the initial visit.

This will be in full and final settlement of **your** claim.

When **we** make a repair **we** will leave **your holiday home** safe and habitable but **we** will not be responsible for reinstating it to its original condition, although **you** may find that this is covered under Section A - Insurance for **your buildings**.

In some circumstances **we** may find it difficult to deploy an **authorised contractor** to attend **your holiday home** or deal with **your emergency** within a reasonable timescale. Examples of such circumstances are:

- Excessive demand
- Bad weather
- Industrial action
- Parts availability
- Availability of a specialist.

In these circumstances, **you** may, with **our** prior agreement, arrange for **your** own contractor to resolve **your emergency** and **we** will refund the cost of **your** contractor up to €250 (€500 for roofing) including VAT.

Please provide a fully itemised invoice or receipt from **your** own contractor to support **your** claim for reimbursement.

Other insurance

If **you** make a claim for any liability, loss or damage that is also covered by any other insurance **policy**, **we** will only pay **our** share of the claim.

Getting our claims costs back

If **we** think someone else is at fault for a claim that **we** pay, **we** may follow up that claim in the name of anyone claiming cover under this **policy** to get back the payments that **we** make.

Anyone making a claim under this **policy** must give **us** any help and information that **we** need.

Parts availability

Availability of parts is an important factor in providing **emergency repairs**. If **our** engineer does not carry the spare parts needed on the day of **your** appointment, **we** will do all **we** reasonably can to find and install parts from **our** approved suppliers. **We** may use new parts or parts that have been reconditioned by the manufacturer or approved third parties.

We may not replace parts on a like for like basis but will provide an alternative suitable for containing the **emergency**, i.e. reconditioned parts. However, there may be times when replacement parts are delayed because of circumstances beyond **our** control.

In these cases **we** will not be able to avoid delays in repair; **we** will keep **you** informed throughout **your** claim.

There may also be occasions where parts are no longer available. In these situations **we** will ensure **your holiday home** is safe and if required, **we** will arrange for **you** to receive a quotation for a suitable replacement item at **your** cost.
