Choosing the Right Levels of Cover

Adequate insurance for Your circumstances

How much to insure for

It is **Your** responsibility to make sure that the amount **You** insure under **Your** policy represents the full value of the property concerned. **You** will find these amounts ("sum **Insured**") for which **You** are **Insured** in **Your Schedule**.

For **Buildings**, this means the full cost of rebuilding **Your Residential Investment Property** including fixtures and fittings, any outbuildings and external structures like walls and fences, plus an amount for any extra charges that could be involved in rebuilding such as demolition costs, architects' and surveyors' fees and meeting the requirements of local authorities. Please note that the cost of rebuilding **Your Residential Investment Property** may be different from the market value of **Your Residential Investment Property**.

For **Contents** this means the full cost of replacing all **Your** belongings within the **Residential Investment Property** at current prices (apart from television sets, DVD players, camcorders, videos, record players, compact disc players, video recorders, home computers, laptop computers, game consoles including CD's, tapes, records and software and similar equipment over one year old, for floor coverings more than five years old and clothing and household linen, where **We** may make a deduction for wear and tear and loss in value).

It's important that **You** insure for the full amount as these "sums **Insured**" represent the maximum that **We** will pay in the event of a claim.

If **You** have any doubt on the adequacy of the amount **You** are **Insured** for under this policy **You** should immediately consult with **Your broker** who will assist **You** in ascertaining adequate amounts for the property concerned.

Prejudice may include, without limitation, restricting or impeding **Our** ability to investigate or defend any claim by or against **You**, incurring or increasing any loss, **Damage**, liability cost or payment that would not otherwise have been incurred or not occurred to the same extent and/or impeding or restricting the ability to obtain contribution from or to exercise subrogation rights against any other person (including any other **Insurer**).

How We Settle Claims

SECTION ONE: *Buildings*

How We deal with Your claim

If **You** claim for loss or **Damage** is covered under section one, **We** will at **Our** option replace, reinstate or pay the full cost of repair as long as:

- the **Buildings** were in a good state of repair immediately prior to the loss or **Damage**; and
- the sum **Insured** is enough to pay for full cost of rebuilding the **Buildings** in their present form; and
- the **Damage** has been repaired or loss has been reinstated.

We will take an amount off for wear and tear from the cost of any replacement or repair if immediately before the loss or **Damage** the **Buildings** were not in a good state of repair.

We will take an amount off for wear and tear from the cost of any replacement or repair of any felt roof.

Where **We** agree to pay **You**, **We** reserve the right to make staged payments as works progress and to retain up to 10% of the agreed cost of repair/reinstatement until all works are complete, final invoice submitted and final inspection completed by **Us** or **Our** representatives

Your Sum Insured

We will not reduce the sum **Insured** under section one after **We** have paid a claim as long as **You** agree to carry out **Our** recommendations to prevent further loss or **Damage**.

If **You** are under **Insured**, which means the cost of rebuilding the **Buildings** at the time of loss or **Damage** is more than **Your** sum **Insured** for the **Buildings**, then **We** will only pay a proportion of the claim. For example if **Your** sum **Insured** only covers one half of the cost of rebuilding the **Buildings**, **We** will only pay one half of the cost of repair or replacement.

Limit of Insurance

We will not pay more than the sum **Insured** for each address shown in the **Schedule**.

SECTION TWO: *Contents*

How We deal with Your claim

If **You** claim for loss or **Damage** to the **Contents** **We** will at **Our** option repair, replace or pay for an article covered under section two.

For total loss or destruction of any article **We** will pay **You** the cost of replacing the article as new, as long as:

- the new article is as close as possible to but not an improvement on the original article when it was new; and
- **You** have paid and where **We** have authorised the cost of replacement.

The above basis of **Settlement** will not apply to clothes, household linen or pedal cycles, TV sets, DVD players, camcorders, videos, record players, compact disc players, video recorders, home computers, laptop computers, game consoles and similar equipment including CDs, tapes, records, and software over one year old, where **We** will take off an amount for wear and tear and depreciation.

We will not pay the cost of replacing or repairing any undamaged parts of the **Contents** which form part of a pair, set or suite or part of a common design or function when the loss or **Damage** is restricted to a clearly identifiable area or to a specific part.

Your Sum Insured

We will not reduce the sum **Insured** under section two after **We** have paid a claim as long as **You** agree to carry out **Our** recommendations to prevent further loss or **Damage**.

If **You** are under **Insured**, which means the cost of replacing or repairing the **Contents** at the time of the loss or **Damage** is more than **Your** sum **Insured** for the **Contents**, then **We** will only pay a proportion of the claim. For example if **Your** sum **Insured** only covers one half of the cost of replacing or repairing the **Contents**, **We** will only pay one half of the cost of repair or replacement.
